

What Critics and Colleagues are Saying About *Choices and Illusions*

“Read this book! We are living at a time where people are searching for answers to fundamental questions in their lives and this book can be, if applied, a roadmap to personal enlightenment and empowerment. I believe it can ‘tune in’ the frequency your currently operating on... or more importantly, help you to see that you can manifest a change.”

—**John Edward**

Crossing Over and After Life

“In a time when we are desperately seeking balance, *Choices and Illusions* provides a true recipe for success. There isn’t a person alive who wouldn’t benefit from this read!”

—**Angelina Heart**

author of *The Teaching of Little Crow: The Journey of the Soul*

“This is an extraordinary and complete overview of mind and consciousness, from someone who has been demonstrating it in his life for many years.”

—**Lynne McTaggart**

author of *The Field* and *The Intention Experiment*

“A rare book full of deep wisdom and heart expanding energy. I loved it.”

—**Dr. Joe Vitale**

author of *Zero Limits* and *The Attractor Factor*

“*Choices and Illusions* is a smart, practical book by a grand master of the mind. If you want to get out of the box of your own thinking, and touch a greater reality, Eldon Taylor can show you how.”

—**Joan Borysenko Ph.D.**

author of *Your Soul’s Compass* and *Inner Peace for Busy People*

“In *Choices and Illusions*, Eldon Taylor takes us on a delightful and provocative odyssey through the corridors of consciousness. Using solid science, practical spirituality and common sense, he shows that our perceptions can be changed, and, once different, can catalyze dramatic improvements in our health and wellbeing.”

—**Dawson Church, Ph.D.**

author of *The Genie In Your Genes*

“Transformationally insightful and thought-provoking, Dr. Taylor’s *Choices and Illusions* examines the most basic assumptions we hold and take for granted. Dr. Taylor clearly elucidates how our thought patterns and beliefs impact our realities, shape our futures, and contribute to, or to the lack of, our self-esteem, happiness, success, and fulfillment. One of the foremost philosophers of our time, Dr. Taylor has made a great contribution with this book, empowering our lives and sourcing our magnificence. I strongly recommend it.”

—**Dr. Joe Rubino**

CEO, The Center for Personal Reinvention

“*Choices and Illusions* opens our minds to explore inwardly, explore how our minds work, and how to harness our minds to become clear about our purpose in life and the Love that we are.”

—**Gerald G. Jampolsky, M.D.**

author of *Teach Only Love* and *Say Goodbye to Guilt*

“I thoroughly enjoyed Eldon Taylor’s work of wisdom. It will lead the reader to a glimpse of the Open Mind, which merges science and spirituality.”
